

Remarks

Applicant has amended the title to restore the original title of the application as filed. It is not clear to Applicant when the title was changed by the PTO, but it appears that Applicant did not have an opportunity to consider such a change.

Applicant has canceled claims 46-49 to correct the inadvertent omission of these claims in the group of claim canceled by the Examiner on page 2 of the Examiner's amendment of October 6, 2008. No other changes were made to the claims as presented in the Examiner's amendment of October 6, 2008. No new matter has been added.

CONCLUSION

If this response is not considered timely filed and if a request for an extension of time is otherwise absent, Applicant hereby requests any necessary extension of time. If there is a fee occasioned by this response, including an extension fee, that is not covered by an enclosed check, please charge any deficiency to Deposit Account No. 23/2825.
